

Lab 5

Lab05.5 Back up and Restore Submission Backup file for ICT_Tutorial_Assignment1

Restore file name ICT_Tutorial_TEST

A screenshot of Microsoft SQL Server Enterprise Manager. The left pane shows the 'Object Explorer' with the 'DESKTOP-AJ5M5LL (SQL Server 15.0.2000.5 - sa)' server selected. Under 'Databases', 'ICT_Tutorial_TEST' is listed. The right pane shows a SQL query window with the following query:

```
SELECT TOP (1000) [Course_ID]
, [Course_Name]
, [Course_Amount]
, [Instructor_ID]
FROM [ICT_Tutorial_TEST].[dbo].[Course]
```

Below the query, the 'Results' tab shows the following data:

Course_ID	Course_Name	Course_Amount	Instructor_ID
301	Business writing	4200	2222
361	Management Information Systems	4100	7777
371	Introduction to Software Engineering	3700	9999
393	Database Systems Lab	3300	1112
414	Information Storage and Retrieval	3200	6666
424	Wireless and Mobile Computing	3500	8888
443	Parallel and Distributed Systems	2000	5555
451	Artificial Intelligence	2500	1111
461	Computer and Communication Security	2000	4444
472	Software Metrics	3200	3333
